LAPTOP SCHEME

If you are looking for a new laptop that you can pay for in 12 monthly instalments, then look no further

Why should you join the scheme?

- . The laptop is offered at a competitive price**
- . It will come with all the software you need downloaded onto it**

If you are on the bursary scheme, than the laptop will be at a subsidised price. In order to find out more about the bursary scheme, please ask for more details.

For more information about the laptop scheme, please contact Lesley Starkes
